## **Indiana Flat Fee Real Estate Broker Expands Again**

*Mentor Listing Realty, Indiana's largest discount real estate broker, has expanded their service area into Kosciusko County, Indiana, and Warsaw, Indiana.*

INDIANAPOLIS, IN – November 10, 2013 – Mentor Listing Realty has expanded their discount real estate brokerage into Kosciusko County, Indiana, and Warsaw, Indiana.

Homeowners in this area previously had no alternative to full commission, traditional real estate brokerage services.

The Kosciusko Board of REALTORS® (KBOR) recently merged their multiple listing service with the Indiana Regional Multiple Listing Service (IRMLS). As a REALTOR® member of the IRMLS, Mentor Listing Realty can now offer their innovative discount real estate marketing services to Kosciusko County property owners.

"In Indiana, we now serve more areas than any other discount real estate broker," commented Brian Waters, President of Mentor Listing Realty.

Mentor Listing Realty is a licensed real estate brokerage offering flat fee MLS listing services in Indiana and Illinois.
